Ingredients:

3 tablespoons freshly squeezed lemon juice, more or less to taste
3 tablespoons simple syrup (equal parts of water and sugar, brought to a boil and heated until the sugar dissolves), more or less to taste
water as needed
mint for garnish (optional)

Instructions:

Place ice in a 12-ounce glass. Add the lemon juice, sugar, and water, and stir gently to blend. Taste and adjust flavors. Garnish with mint if desired.

Makes 1 glass.
