

Grapes Romanoff 24

*from **In Our Grandmothers' Kitchens***

Ingredients:

1/2 cup sour cream
1/4 cup brown sugar, firmly packed
24 whole red seedless grapes

Instructions:

Lightly combine the sour cream and brown sugar. Stir them gently into the grapes. Let stand a minute or two; then serve.

Serves 2. (Jack Bauer could probably eat the grapes all by himself at the end of a busy day.)
